MHRT/C Certification Program Update

Center for Learning is Open for Business

Muskie staff continue to process MHRT/C certification applications and renewals in spite of University policy changes due to COVID-19. Email correspondence is quickest and we continue to field phone calls, although there are likely to be delays. Please submit your certification paperwork by email to cfl-muskie@maine.edu for the fastest response. If you do not have access to a scanner, take legible photos with your smart device and email the photos.

Continuing Education Change

Given the rapidly changing landscape related to COVID-19, an adjustment has been made to one of the MHRT/C continuing education requirements for certification renewal. All 18 hours may be completed using online training through May 31, 2020, at which time the situation will be reassessed. A minimum of four of those hours must still address ethics competencies.

Postponed: Domain 2 Non-Academic Train-the Trainer

The March train-the-trainer event at the University of Maine Augusta has been postponed. At this time, a new date is not scheduled. All approved trainers will be notified as soon as information is available.

Other:

The **Domain 1** non-academic training offered by Tri-County Mental Health Services for five dates in April, has been postponed. When updated information is available it will be posted in the Non-Academic section of the CFL website.

Please check back to www.cfl-muskie.org for updates. We want to keep you apprised of changes moving forward.

We understand this is a challenging time for staff and the people you serve. We appreciate your commitment to this work and wish you well, especially in the coming weeks and months.
