MHRT/C Certification Program Update

New College Courses for Certification

The list of approved academic programs to meet the requirements for full MHRT/C continues to expand, with the recent addition of two new programs.

University of Maine at Presque Isle – Two new MHRT/C certificate options to accelerate entry into the workforce, while staying on track to earn a degree:

- Certificate Option #1: Social Work-blended model (for non-Social Work majors)
- Certificate Option #2: Psychology-based model (for non-Social Work majors)

Check our website for the most current list of courses and programs approved for full certification.

Continuing Education During the State of Emergency

Reminder - Individuals who are currently applying to renew their full MHRT/C certificates can complete the 18-hour continuing education (CE) requirement entirely online until August 31, 2020. They still must complete at least four (4) hours (of the 18 hours) in Ethics. The renewal application process remains the same. Please see our Continuing Education web page for more information. Be sure to watch our website for updates to CE requirements.
